

die hard - kendrick lamar:

I pop the pain away, I slide the pain away
I pop the pain away, I slide the pain away
I picked you up when you fell and cut your knee
Told you not to cry and held you close to me

[Chorus: Blxst]

I hope I'm not too late
To set my demons straight
I know I made you wait
But how much can you take?
I hope you see the God in me
I hope you can see
And if it's up, stay down for me
Yeah

[Post-Chorus: Amanda Reifer]

Shimmy, shimmy, cocoa puff
Serafina, flame in us
Where I'd be without your love
Rest your wings and trust, I feel you
Deep, I feel, deep, I feel (I know we're feelin' deep)
Deep, I feel, deep, too (I know we're feelin' too deep)
Deep, I feel, deep, I feel (I know we're feelin' deep)
Deep, I feel, deep, you (I know we're feelin')

[Verse 1: Kendrick Lamar]

Do you love me? Do you trust me?
Can I trust you? Don't judge me
I'ma die hard, it gets ugly
Too passionate, it gets ugly
Mmm, ah-ah
I wonder where I lost my way?
Mmm, ah-ah
Been waiting on your call all day
Tell me you in my corner right now
When I fall short, I'm leanin' on you to cry out
We all got enough to lie about
My truth too complicated to hide now
Can I open up? Is it safe or not?
I'm afraid a little, you relate or not?
Have faith a little, I might take my time
Ain't no savin' face this time

[Chorus: Blxst]

I hope I'm not too late
To set my demons straight

I know I made you wait
But how much can you take?
I hope you see the God in me
I hope you can see
And if it's up, stay down for me
Yeah
[Post-Chorus: Amanda Reifer]
Shimmy, shimmy, cocoa puff
Serafina, flame in us
Where I'd be without your love
Rest your wings and trust, I feel you
Deep, I feel, deep, I feel (I know we're feelin' deep)
Deep, I feel, deep, too (I know we're feelin' too deep)
Deep, I feel, deep, I feel (I know we're feelin' deep)
Deep, I feel, deep, you (I know we're feelin')

[Verse 2: Kendrick Lamar]
I got some regrets
I-I-I-I-I-I-I-I
But my past won't keep me from my best
I-I-I-I-I-I-I-I
Subtle mistakes felt like life or death
I-I-I-I-I-I-I-I
I wanna see the family stronger
I wanna see the money longer
You know that I'd die for you
I get emotional about life
The lost ones keepin' me up at night
The world be reminding me it's danger
I'll still risk it all for a stranger
If I told you who I am, would you use it against me?
Right or wrong, no stone, just love to send me

[Chorus: Blxst]
I hope I'm not too late
To set my demons straight
I know I made you wait
But how much can you take?
I hope you see the God in me
I hope you can see
And if it's up, stay down for me
Yeah

[Outro: Blxst]
Baby, you make me
Pray for London
Yeah
'Cause if I won it all without you involved
(Fucking love you)

I guess it's all for nothing

sing about me im dying of thirst - kendrick lamar

[Chorus]

When the lights shut off and it's my turn

To settle down, my main concern

Promise that you will sing about me

Promise that you will sing about me

I said when the lights shut off and it's my turn

To settle down, my main concern

Promise that you will sing about me

Promise that you will sing about me

[Verse 1]

I woke up this mornin' and figured I'd call you

In case I'm not here tomorrow

I'm hopin' that I can borrow

A peace of mind, I'm behind on what's really important

My mind is really distorted

I find nothin' but trouble in my life

I'm fortunate you believe in a dream

This orphanage we call a ghetto is quite a routine

And last night was just another distraction

Or a reaction of what we consider madness

I know exactly what happened

You ran outside when you heard my brother cry for help

Held him like a newborn baby and made him feel

Like everything was alright in a fight he tried to put up

But the type of bullet that stuck

Had went against his will, that's blood spilled on your hands

My plan's rather vindictive

Everybody's a victim in my eyes

When I ride it's a murderous rhythm

And outside became pitch black

A demon glued to my back, whispering "Get 'em!"

I got 'em and I ain't give a fuck

That same mentality I told my brother not to duck

In actuality it's a trip how we trip off of colors

I wonder if I'll ever discover a passion like you and recover

The life that I knew as a youngin

In pajamas and dun-ta-duns

When thunder comes, it rains cats and dogs dumb

Niggas like me never prosper

Prognosis of a problem child, I'm proud and well-devoted

This Piru shit been in me forever

So forever I'ma push it, wherever, whenever

And I love you 'cause you love my brother like you did

Just promise me you'll tell this story when you make it big
And if I die before your album drop, I hope— [Gunshots]

[Chorus]

Promise that you will sing about me
Promise that you will sing about me
I said when the lights shut off and it's my turn
To settle down, my main concern
Promise that you will sing about me
Promise that you will sing about me

[Verse 2]

You wrote a song about my sister on your tape
And called it Section.80
The message resembled "Brenda's Got a Baby"
What's crazy was I was hearin' about it
But doubted your ignorance
How could you ever just put her on blast and shit?
Judgin' her past and shit?
Well, it's completely my future
Her nigga behind me right now askin' for ass and shit
And I'ma need that forty dollars
Even if I gotta fuck, suck and swallow
In the parking lot, Gonzales Park, I'm followed
By a married man, and father of three
My titties bounce on the cadence of his tinklin' keys
Matter of fact, he my favorite 'cause he tip me with E's
He got a cousin named David and I seen him last week
This is the life of another girl damaged by the system
These foster homes, I run away and never do miss 'em
See, my hormones just run away and if I can get 'em
Back to where they used to be, then I'll probably be in the denim
Of a family gene that show women how to be woman
Or better yet, a leader, you need her to learn somethin'
Then you probably need to beat her, that's how I was taught
Three niggas in one room, first time I was tossed
And I'm exhausted, but fuck that "Sorry for your loss" shit
My sister died in vain, but what point are you tryna gain
If you can't fit the pumps I walk in?
I'll wait... your rebuttal a little too late
And if you have a album date, just make sure I'm not in the song
'Cause I don't need the attention, bring enough of that on my own
And matter of fact, did I mention that I physically feel great?
A doctor's approval is a waste of time, I know I'm straight
I'll probably live longer than you and never fade away
I'll never fade away, I'll never fade away, I know my fate
And I'm on the grind for this cake, I'ma get it or die tryin'
I'm eyein' every male gender with intentions of buyin'

You lyin' to these motherfuckers
Talkin' about you can help 'em with my story
You can help me if you sell this pussy for me, nigga
Don't ignore me, nigga, fuck your glory, nigga, bullshit
And when I die...

[Chorus]

When the lights shut off and it's my turn
To settle down, my main concern
Promise that you will sing about me
Promise that you will sing about me
I said when the lights shut off and it's my turn
To settle down, my main concern
Promise that you will sing about me
Promise that you will sing about me

[Verse 3]

Sometimes I look in the mirror and ask myself
Am I really scared of passin' away? If it's today, I hope I hear a
Cry out from Heaven so loud it can water down a demon
With the Holy Ghost 'til it drown in the blood of Jesus
I wrote some raps that made sure that my lifeline reekin'
The scent of a reaper, ensurin' that my allegiance
With the other side may come soon, and if I'm doomed
May the womb of my mother be blessed for many moons
I suffer a lot, and every day that glass mirror get tougher to watch
I tie my stomach in knots
And I'm not sure why I'm infatuated with death
My imagination is surely an aggravation of threats
That can come about, 'cause the tongue is mighty powerful
And I can name a list of your favorites that probably vouch
Maybe 'cause I'm a dreamer and sleep is the cousin of death
Really stuck in the schema of wonderin' when I'ma rest
And you're right, your brother was a brother to me
And your sister's situation was the one that pulled me
In a direction to speak on somethin' that's realer than the TV screen
By any means, wasn't tryin' to offend or come between
Her personal life, I was like "It need to be told"
Cursin' the life of twenty generations after her soul
Exactly what'd happen if I ain't continue rappin'
Or steady bein' distracted by money, drugs, and 4-5's
I count lives, all on these songs
Look at the weak and cry, pray one day you'll be strong
Fightin' for your rights, even when you're wrong
And hope that at least one of you sing about me when I'm gone
Am I worth it? Did I put enough work in?

[Chorus]

Promise that you will sing about me
Promise that you will sing about me

I said when the lights shut off and it's my turn
To settle down, my main concern
Promise that you will sing about me
Promise that you will sing about me

[Outro]

Promise that you'll sing about me forever
Promise that you'll sing about me for— ooh
Promise that you'll sing about me forever
Promise that you'll sing about me for— ooh
Promise that you'll sing about me forever
Promise that you'll sing about me for— ooh
Promise that you'll sing about me forever
Promise that you'll sing about me for— ooh

[Part II: I'm Dying of Thirst]

[Skit]

(On the phone)

"Ay, ay, ay, where you 'bout to go?"

"Nigga, the homie's brother—nigga, right here, he gone, my nigga, he gone!"

"Hey, come to the store for a nigga, one time."

"We on the block right now, my nigga, like, we—nigga, we right here, my nigga."

"Bring a nigga back a black!"

"Nigga—bruh—nigga, they just killed the homie's brother, my nigga. We right here on the block, my nigga... Al—al—alright, nigga—nigga, just come—alright, alright, just call me back, man, just call me back."

"Bring a nigga back a black!"

(*Hangs up*)

"Ahh, fuck... so, so, what we gon' do, my niggas? What we gon' do?"

"Bro—bro, we can go back right now, my nigga. Like, nigga, I don't give a fuck, my nigga. We can go back right now."

"Fuck! I'm tired of this shit! I'm tired of fuckin' runnin', I'm tired of this shit! My brother, homie!"

[Verse 1]

Tired of runnin', uh, tired of huntin', uh
My own kind, but retirin' nothin', uh
Tires are steady screechin', the driver is rubbin', uh
Hands on the wheel, uh, who said we wasn't, uh

[Refrain]

Dyin' of thirst, uh
Dyin' of thirst, uh
Dyin' of thirst, uh

[Verse 2]

Dope on the corner, uh, look at the coroner, uh
Daughter is dead, uh, mother is mournin' her, uh

Stray bullets, uh, AK bullets
Resuscitation was waitin' patiently, but they couldn't, uh
Bring her back, uh, who got the footage, uh?
Channel 9, uh, cameras is lookin'
It's hard to channel your energy when you know he crooked, uh
Banana clip, split his banana pudding, uh
I'm like Tre, uh, that's Cuba Gooding, uh
I know I'm good at, uh

[Refrain]

Dyin' of thirst, uh
Dyin' of thirst, uh
Dyin' of thirst, uh

[Verse 3]

How many sins, uh? I'm runnin' out, uh
How many sins, uh? I lost count
Dreams of ballin' like Spalding
But only shotty bounce, uh
The reaper callin', uh, I'm cottonmouth, uh
Money is power (Money is power)
Yours is ours (Yours is ours)
Lay with a snitch, uh, die with a coward, uh
Hope we get rich, uh, hope we can tower
Over the city with vanity with the music louder, uh
The same song, uh, a black flower, uh
I'll show you how to, uh

[Refrain]

Dye your thirst, uh
Dye your thirst, uh
Dye your thirst, uh

[Verse 4]

What are we doin', uh? Who are we foolin', uh?
Hell is hot, uh, fire is proven, uh
To burn for eternity, return of the student
That never learned how to live righteous but how to shoot it, uh
Tired of runnin', uh, choirs is hummin', uh
Tell us to visit, uh, we lie about comin', uh
Now back to business, uh, loadin' the guns in
Back of the Buick, your hood is feudin'
The beef is bubblin', uh, it's no discussion, uh
Hereditary, uh, all of my cousins, uh

[Refrain]

Dyin' of thirst, uh
Dyin' of thirst, uh

Dyin' of thirst, uh

[Verse 5]

Too many sins, uh, I'm runnin' out, uh
Somebody send me a well for the drought, uh
See all I know, uh, is takin' notes
On takin' this life for granted, granted, if he provoke, uh
My best days, uh, I stress days
(Lord, forgive me for all my sins, for I not know—)
My best days, uh, I stress days, uh
Say "fuck the world," uh, my sex slave, uh
Money, pussy, and greed—what's my next crave?
Whatever it is, know it's my next grave, uh
Tired of runnin', tired of runnin', tired of tumblin'
Tired of runnin', uh, tired of tumblin', backwards
My momma say "See, a pastor give me a promise
What if today was the rapture and you completely tarnished?
The truth will set you free, so to me be completely honest
You dyin' of thirst, you dyin' of thirst
So hop in that water, and pray that it works"

[Skit]

Fuck! I'm tired of this shit!
I'm tired of fuckin' runnin', I'm tired of this shit!
That's my brother, homie!
Young man, come talk to me! Is that what I think that is?
I know that's not what I think that is
Why are you so angry?
See, you young men are dying of thirst
Do you know what that means?
That means you need water, holy water
You need to be baptized, with the spirit of the Lord
Do you want to receive God as your personal savior?
Okay, repeat after me:
"Lord God, I come to You a sinner"
(Lord God, I come to You a sinner)
"And I humbly repent for my sins"
(And I humbly repent for my sins)
"I believe that Jesus is Lord"
(I believe that Jesus is Lord)
"I believe You raised Him from the dead"
(I believe You raised Him from the dead)
"I would ask that Jesus come into my life"
(I would ask that Jesus come in my life)
"And be my Lord and Savior"
(And be my Lord and Savior)
"I receive Jesus to take control of my life"
(I receive Jesus to take control of my life)

"And that I may live for Him from this day forward"
(And that I may live for Him from this day forward)
"Thank you, Lord Jesus for saving me with Your precious blood"
(Thank you, Lord Jesus for saving me with Your precious blood)
"In Jesus' name, amen"
(In Jesus' name, amen)
Alright now, remember this day
The start of a new life, your real life

That's just how I feel, nah, nah
A dollar might just make that lane switch
That's just how I feel, nah

Love one of you bucket-headed hoes? No way

Hit the streets, then we break the code? No way

Hit the brakes when they on patrol? No way

Be the last one out to get this dough? No way

[Verse 3: Jay Rock]

'Magine Rock up in them projects where them niggas pick your pockets
Santa Claus don't miss them stockings, liquors spillin', pistols poppin'
Bakin' soda, yola whippin', ain't no turkey on Thanksgivin'
My homeboy just domed a nigga, I just hope the Lord forgive him
Pots with cocaine residue, every day, I'm hustlin'
What else is a thug to do when you eatin' cheese from the government?
Gotta provide for my daughter 'nem, get the fuck up out my way, bish
Got that drum and I got them bands just like a parade, bish
Drop that work up in the bushes, hope them boys don't see my stash
If they do, tell the truth, this the last time you might see my ass
From the gardens where the grass ain't cut, them serpents lurkin', blood
Bitches sellin' pussy, niggas sellin' drugs, but it's all good
Broken promises, steal your watch and tell you what time it is
Take your J's and tell you to kick it where a Foot Locker is
In the streets with a heater under my dungarees
Dreams of me gettin' shaded under a money tree

Shit, I'm tryna get my thing goin' too (Girl, I want your body)
I'm going over to Merlin house, just bring my car back (I want your body)
Shit, he faded, he feelin' good, look, listen to him

Girl, girl, I want your body
I want your body, 'cause of that big ol' fat ass, girl
See, he high as hell (I want your body, 'cause of that big ol'—)
Shit, he ain't even trippin' off them dominoes no more, just bring the car back

heart pt 6 - kendrick lamar:

[Verse 1: Kendrick Lamar]

Load up the Pro Tools and press three
Studio filled with Jack In The Box and Pepsis
Niggas watchin' WorldStar videos, not the ESPYs
Laughin' at B. Pumper, stomach turnin', I get up and proceeded to write somethin'
Ab-Soul in the corner mumblin' raps, fumblin' packs of Black & Milds
Crumblin' kush 'til he cracked a smile
His words legendary, wishin' I could rhyme like him
Studied his style to define my pen
That was back when the only goal was to get Jay Rock through the door
Warner Brother Records, hope Naim Ali would let us know
Was excited just to go to them label meetings
Wasn't my record deal, but still, I couldn't believe it
Me and Rock inside the booth hibernatin'
It was simple math, if he made it, that mean I made it
Everything I had was for the team, I remained patient
Grindin' with my brothers, it was us against them, no one above us, bless our hearts

[Chorus: Sam Dew & Ink]

Use your heart and not your eyes (Baby, just relax your mind)
If you got time, then I got time (Yeah, yeah)
Free your thoughts and watch them fly
Use your heart and not your eyes (Mm-hmm)

[Verse 2: Kendrick Lamar]

My nigga Dave had a champagne Acura
A bunch of instrumentals I freestyled in the passenger
That nigga wore several hats, a producer, a manager, director, and DJ
A hothead squabblin', Bloods, Pirus, and Keeways
For this little thing of ours we called TDE
I watched you take some penitentiary chances to say the least
Remember in the county building with MixedByAli
We tried to freak the system just to make a couple ends meet
That's my nigga for shit sure
He brought Q over, but Q didn't rap, but he learned from our inspo
We split Louisiana chicken riverboat specials
Sleepin' next to 02R consoles to be our refuge
He was homeless and I left home
Q said, "Dot, you won't be slept on, you the nigga to bet on" (Use your h—)
Top had given us dominion in the home he lived in
Hopin' that we see some millions, God bless our hearts

[Chorus: Sam Dew & Ink]

Use your heart and not your eyes (Baby, just relax your mind)
If you got time, then I got time (Yeah, yeah)
Free your thoughts and watch them fly
Use your heart and not your eyes

[Verse 3: Kendrick Lamar]

Punch played Phil Jackson in my early practices
Strategies on how to be great amongst the averages
I picked his brain on what was ordained, highly collaborative
RET pushed the label the same, amongst the savages
Moose kept my name in the function that he would run in
TEEZ kept the vultures away from me that was comin'
Sounwave let me borrow his clothes for shows as a hype man
To cook up in this room 'til the night ends
Time flies, I'm carryin' debates of a top five
Buryin' my opps and allies
But I'd done a half job communicatin' feelings of being stagnant
Life was gettin' bigger than just rappin'
The business, what I was lackin'
Top used to record me back when it was poor me
And now we at the round table for what assures me
I guess my motivation was the yearnin' for independence
Poured everything I had left in the family business
Now it's about Kendrick, I wanna evolve, place my skillset as a Black exec'
I jog my memory, knowin' Black Hippy didn't work 'cause of me
Creatively, I moved on with new concepts in reach
Top, remember all them sessions we would strategize
To hit the streets, then come back, record three records? Ah
To tell the truth, it fucked me up when D-Man passed
The motive was the condolences, but the pride crashed
I had to bypass old mythologies I had
Put my heart on display like it was an iMac
To all my young niggas, let me be the demonstration
How to conduct differences with a healthy conversation
If that's your family, then handle it as such
Don't let the socials gas you up or let emotions be your crutch
Pick up the phone and bust it up before the history is lost
Hand-to-handshake is good when you have a heart-to-heart

[Chorus: Sam Dew & Ink]

Use your heart and not your eyes (Baby, just relax your mind)
If you got time, then I got time (Yeah, yeah)
Free your thoughts and watch them fly
Use your heart and not your eyes (Mm-hmm)

You can babysit him when I leave him outside
Ain't no other love like the one I know

I done been down so long lost hope
I done came down so hard I slowed
Honestly forever, all a real nigga want

[Pre-Chorus: DJ Dahi & Kendrick Lamar]

I said I'm geeked and I'm fired up (Fired, fired)
All I want tonight is just to get high up (Yeah)
All I want is, all I want is

[Chorus 2: Kendrick Lamar, Kendrick Lamar & Rihanna]

Loyalty, loyalty, loyalty (Loyalty, loyalty, loyalty, loyalty)
Loyalty, loyalty, loyalty (Loyalty, loyalty, loyalty)
10-4, no switchin' sides, feel somethin' wrong
You actin' shifty, you don't vibe with me no more, I need
Loyalty, loyalty, loyalty (Loyalty, loyalty, loyalty, loyalty)
Loyalty, loyalty, loyalty (Loyalty, loyalty, loyalty, loyalty)

[Verse 4: Kendrick Lamar]

Tell me who you're loyal to
Is it money? Is it fame? Is it weed? Is it drink?
Is it comin' down with the loud pipes in the rain?
Big chillin', only for the power in your name?
Tell me who you're loyal to
Is it love for the streets when the lights get dark?
Is it unconditional when the 'Rari don't start?
Tell me when your loyalty is comin' from the heart

[Verse 5: Rihanna, Kendrick Lamar, Both]

Tell me who you're loyal to
Do it start with your woman or your man? (Mmm)
Do it end with your family and friends? (Mmm)
Are you loyal to yourself in advance?
I said, "Tell me who you're loyal to"
Is it anybody that you would lie for?
Anybody you would slide for?
Anybody you would die for? (That's what God for)

[Pre-Chorus: DJ Dahi & Kendrick Lamar]

I said I'm geeked and I'm fired up (Fired, fired)
All I want tonight is just to get high up (Yeah)
All I want is, all I want is

[Chorus 2: Kendrick Lamar, Kendrick Lamar & Rihanna]

Loyalty, loyalty, loyalty (Loyalty, loyalty, loyalty, loyalty)
Loyalty, loyalty, loyalty (Loyalty, loyalty, loyalty)
10-4, no switchin' sides, feel somethin' wrong
You actin' shifty, you don't vibe with me no more, I need
Loyalty, loyalty, loyalty (Loyalty, loyalty, loyalty, loyalty)
Loyalty, loyalty, loyalty (Loyalty, loyalty, loyalty, loyalty)

[Outro: Rihanna, Kendrick Lamar & Rihanna]

(Mmm)

It's so hard to be humble (Mmm, mmm)

It's so hard to be

Lord knows I'm tryin'

Lord knows I'm dyin', baby

DNA - KENDRICK LAMAR:

[Verse: Kendrick Lamar]

I got, I got, I got, I got—

Loyalty, got royalty inside my DNA

Cocaine quarter piece, got war and peace inside my DNA

I got power, poison, pain, and joy inside my DNA

I got hustle, though, ambition flow inside my DNA

I was born like this, since one like this, immaculate conception

I transform like this, perform like this, was Yeshua new weapon

I don't contemplate, I meditate, then off your fucking head

This that put-the-kids-to-bed

This that I got, I got, I got, I got—

Realness, I just kill shit 'cause it's in my DNA

I got millions, I got riches buildin' in my DNA

I got dark, I got evil that rot inside my DNA

I got off, I got troublesome heart inside my DNA

I just win again, then win again, like Wimbledon, I serve

Yeah, that's him again, the sound that engine in is like a bird

You see fireworks and Corvette tire skrrt the boulevard

I know how you work, I know just who you are

See, you's a, you's a, you's a—

Bitch, your hormones prolly switch inside your DNA

Problem is, all that sucker shit inside your DNA

Daddy prolly snitched, heritage inside your DNA

Backbone don't exist, born outside a jellyfish, I gauge

See, my pedigree most definitely don't tolerate the front

Shit I've been through prolly offend you, this is Paula's oldest son

I know murder, conviction, burners, boosters, burglars, ballers, dead Redemption, scholars,
fathers dead with kids

And I wish I was fed forgiveness

Yeah, yeah, yeah, yeah, soldier's DNA (I'm a soldier's DNA)

Born inside the beast, my expertise checked out in second grade

When I was nine, on sale motel, we didn't have nowhere to stay

At twenty-nine, I've done so well, hit cartwheel in my estate

And I'm gon' shine like I'm supposed to, antisocial extrovert

And excellent mean the extra work

And absentness what the fuck you heard

And pessimists never struck my nerve

And Nazareth gonna plead his case

The reason my power's here on Earth
Salute the truth, when the prophet say

[Intro: Kendrick Lamar & Geraldo Rivera]

I-I got loyalty, got royalty inside my DNA
This is why I say that hip hop has done more damage to young African Americans than
racism in recent years
I-I got loyalty, got royalty inside my DNA
I live a better life, I'm rollin' several dice, fuck your life
I-I got loyalty, got royalty inside my DNA
I live a be-, fuck your life
Five, four, three, two, one
This is my heritage, all I'm inheritin'
Money and power, the mecca of marriages

[Verse: Kendrick Lamar]

Tell me somethin'
You motherfuckers can't tell me nothin'
I'd rather die than to listen to you
My DNA not for imitation
Your DNA an abomination
This how it is when you in the Matrix
Dodgin' bullets, reapin' what you sow
And stackin' up the footage, livin' on the go
And sleepin' in a villa
Sippin' from a Grammy, walkin' in the buildin'
Diamond in the ceilin', marble on the floors
Beach inside the window, peekin' out the window
Baby in the pool, godfather goals
Only Lord knows I've been goin' hammer
Dodgin' paparazzi, freakin' through the cameras
Eat at Four Daughters, Brock wearin' sandals
Yoga on a Monday, stretchin' to Nirvana
Watchin' all the snakes, curvin' all the fakes
Phone never on, I don't conversate
I don't compromise, I just penetrate
Sex, money, murder, these are the breaks
These are the times, level number nine
Look up in the sky, ten is on the way
Sentence on the way, killings on the way
Motherfucker, I got winners on the way
You ain't shit without a body on your belt
You ain't shit without a ticket on your plate
You ain't sick enough to pull it on yourself
You ain't rich enough to hit the lot and skate
Tell me when destruction gonna be my fate
Gonna be your fate, gonna be our faith
Peace to the world, let it rotate

Sex, money, murder, our DNA
[Video Outro]

aLRIGHT - KENDRICK LAMAR

[Intro: Kendrick Lamar]

Alls my life, I has to fight, nigga
Alls my life, I—
Hard times like, "Yah"
Bad trips like, "Yah"
Nazareth
I'm fucked up, homie, you fucked up
But if God got us, then we gon' be alright

[Chorus: Pharrell Williams]

Nigga, we gon' be alright
Nigga, we gon' be alright
We gon' be alright
Do you hear me, do you feel me? We gon' be alright
Nigga, we gon' be alright
Huh? We gon' be alright
Nigga, we gon' be alright
Do you hear me, do you feel me? We gon' be alright

[Verse 1: Kendrick Lamar]

Uh, and when I wake up
I recognize you're looking at me for the pay cut
But homicide be looking at you from the face down
What MAC-11 even boom with the bass down?
Schemin', and let me tell you 'bout my life
Painkillers only put me in the twilight
Where pretty pussy and Benjamin is the highlight
Now tell my mama I love her, but this what I like, Lord knows
Twenty of 'em in my Chevy, tell 'em all to come and get me
Reapin' everything I sow, so my karma comin' heavy
No preliminary hearings on my record
I'm a motherfuckin' gangster in silence for the record, uh
Tell the world I know it's too late
Boys and girls, I think I've gone cray
Drown inside my vices all day
Won't you please believe when I say
[Pre-Chorus: Kendrick Lamar]
Wouldn't you know
We been hurt, been down before, nigga
When our pride was low
Lookin' at the world like, "Where do we go?" Nigga

And we hate po-po
Wanna kill us dead in the street for sure, nigga
I'm at the preacher's door
My knees gettin' weak and my gun might blow
But we gon' be alright

[Chorus: Pharrell Williams]

Nigga, we gon' be alright
Nigga, we gon' be alright
We gon' be alright
Do you hear me, do you feel me? We gon' be alright
Nigga, we gon' be alright
Huh? We gon' be alright
Nigga, we gon' be alright
Do you hear me, do you feel me? We gon' be alright

[Verse 2: Kendrick Lamar]

What you want you, a house? You, a car?
Forty acres and a mule? A piano, a guitar?
Anything, see my name is Lucy, I'm your dog
Motherfucker, you can live at the mall
I can see the evil, I can tell it, I know it's illegal
I don't think about it, I deposit every other zero
Thinkin' of my partner, put the candy paintin' on the Regal
Diggin' in my pocket, ain't a profit big enough to feed you
Every day, my logic get another dollar just to keep you
In the presence of your chico, ah
I don't talk about it, be about it, every day, I sequel
If I got it, then you know you got it, Heaven, I can reach you
Pat Dawg, Pat Dawg, Pat Dawg, my dog, that's all
Bick back and Chad, I trap the bag for y'all
I rap, I black on track, so rest assured
My rights, my wrongs, I write 'til I'm right with God

[Pre-Chorus: Kendrick Lamar]

Wouldn't you know
We been hurt, been down before, nigga
When our pride was low
Lookin' at the world like, "Where do we go?" Nigga
And we hate po-po
Wanna kill us dead in the street for sure, nigga
I'm at the preacher's door
My knees gettin' weak, and my gun might blow
But we gon' be alright

[Chorus: Pharrell Williams]

Nigga, we gon' be alright
Nigga, we gon' be alright
We gon' be alright

Do you hear me, do you feel me? We gon' be alright
Nigga, we gon' be alright
Huh? We gon' be alright
Nigga, we gon' be alright
Do you hear me, do you feel me? We gon' be alright

[Outro: Kendrick Lamar & Thundercat]

I keep my head up high
I cross my heart and hope to die
Lovin' me is complicated
Too afraid of a lot of changes
I'm alright, and you're a favorite
Dark nights in my prayers

[Poem: Kendrick Lamar]

I remembered you was conflicted
Misusing your influence, sometimes I did the same
Abusing my power, full of resentment
Resentment that turned into a deep depression
Found myself screamin' in the hotel room
I didn't wanna self-destruct
The evils of Lucy was all around me
So I went runnin' for answers

If these walls could talk
If these walls could talk
If these walls could talk
If these walls could talk
If these walls could talk—
Sex

[Verse 1: Anna Wise & Kendrick Lamar]

She just wanna close her eyes and sway
With you, with you, with you (Ah, come on)
Exercise her right to work it out
It's true, it's true, it's true
Shout out to the birthday girls
Say hey (Hey), say hey (Hey, ah, girl)

Everyone deserves a night to play (Play)
She plays, only when you tell her no

[Chorus: Anna Wise, Thundercat, & Bilal]
If these walls could talk
I can feel your reign when it cries, gold lives inside of you
If these walls could talk
I love it when I'm in it, I love it when I'm in it (Oh, oh, oh, oh, oh)
Oh, oh

[Verse 2: Kendrick Lamar]
These walls could talk, they'd tell me to swim good
No boat, I float better than he would
No life jacket, I'm not the God of Nazareth
But your flood can be misunderstood
Walls tellin' me they full of pain, resentment
Need someone to live in 'em just to relieve tension
Me, I'm just a tenant
Landlord said these walls vacant more than a minute
These walls are vulnerable, exclamation
Interior pink, color coordinated
I interrogated every nook and cranny
I mean, it's still amazing, before, they couldn't stand me
These walls wanna cry tears
These walls happier when I'm here
These walls never could hold up
Every time I come around, demolition might crush

[Chorus: Anna Wise, Thundercat, & Bilal]
If these walls could talk
I can feel your reign when it cries, gold lives inside of you
If these walls could talk
I love it when I'm in it, I love it when I'm in it (Oh, oh, oh, oh, oh)
Oh, oh

[Verse 3: Kendrick Lamar]
These walls could talk, they'd tell me to go deep
Yellin' at me continuously, I can see
Your defense mechanism is my decision
Knock these walls down, that's my religion
Walls feelin' like they ready to close in
I suffocate, then catch my second wind
I resonate in these walls

I don't know how long I can wait in these walls
I've been on the streets too long
Lookin' at you from the outside in
They sing the same old song
About how they walls always the cleanest
I beg to differ, I must've missed them
I'm not involved, I'd rather diss 'em
I'd rather call on you, put your wall up
'Cause when I come around, demolition gon' crush

[Chorus: Anna Wise, Thundercat, & Bilal]

If these walls could talk
I can feel your reign when it cries, gold lives inside of you
If these walls could talk
I love it when I'm in it, I love it when I'm in it (Oh, oh, oh, oh, oh)

[Instrumental Break]

[Verse 4: Kendrick Lamar]

If your walls could talk, they'd tell you it's too late
Your destiny accepted your fate
Burn accessories and stash 'em on the yard
Take the recipe, the Bible and God
Wall tellin' you that commissary is low
Race wars happenin', no callin' CO
No callin' your mother to save you
Homies to say you're irrepetible, not acceptable
Your behavior is Sammy the Bull like
A killer that turned snitch
Walls is tellin' me you a bitch
You pray for appeals hopin' the warden would afford them
That sentence so important
Walls tellin' you to listen to "Sing About Me"
Retaliation is strong, you even dream 'bout me
Killed my homeboy and God spared your life
Dumb criminal got indicted same night
So when you play this song, rewind the first verse
About me abusin' my power so you can hurt
About me and her in the shower whenever she horny
About me and her in the after hours of the morning
About her baby daddy currently servin' life
And how she think about you until we meet up at night
About the only girl cared about you when you asked her
And how she fuckin' on a famous rapper
Walls can talk (Talk)

KENDRICK LAMAR - WESLEY THEORY:

[Sample: Boris Gardiner]

Every nigga is a star, ayy, every nigga is a star
Every nigga is a star, ayy, every nigga is a star
Every nigga is a star, ayy
Who will deny that you and I and every nigga is a star?

[Intro: Josef Leimberg]

Hit me
When the four corners of this cocoon collide
You'll slip through the cracks hopin' that you'll survive
Gather your wit, take a deep look inside
Are you really who they idolize?
To Pimp a Butterfly

[Chorus: Kendrick Lamar]

At first, I did love you
But now I just wanna fuck
Late nights thinkin' of you
Until I get my nut

Tossed and turned, lesson learned
You was my first girlfriend
Bridges burned, all across the board
Destroyed, but what for?
[Verse 1: Kendrick Lamar]
When I get signed, homie, I'ma act a fool
Hit the dance floor, strobe lights in the room
Snatch your little secretary bitch for the homies
Blue-eyed devil with a fat-ass monkey
I'ma buy a brand new Caddy on vogues
Trunk the hood up, two times, deuce-four
Platinum on everythin', platinum on weddin' ring
Married to the game and a bad bitch chose
When I get signed, homie, I'ma buy a strap
Straight from the CIA, set it on my lap
Take a few M-16s to the hood
Pass 'em all out on the block, what's good?
I'ma put the Compton swap meet by the White House
Republican run up, get socked out
Hit the press with a Cuban link on my neck
Uneducated, but I got a million-dollar check like that

[Refrain: Thundercat & George Clinton]
We should never gave
We should never gave niggas money
Go back home, money, go back home
We should never gave
We should never gave niggas money
Go back home, money, go back home
(Everybody get out)
[Chorus: Kendrick Lamar, Thundercat & George Clinton]
At first, I did love you (Love you)
But now I just wanna fuck (I just wanna fuck)
Late nights thinkin' of you (Of you)
Until I get my nut ('Til I get my nut)
Tossed and turned, lesson learned
You was my first girlfriend
Bridges burned, all across the board (Across the board)
Destroyed, but what for?

[Break: Dr. Dre]
Yo, what's up? It's Dre
Remember the first time you came out to the house?
You said you wanted a spot like mine
But remember, anybody can get it
The hard part is keepin' it, motherfucker

[Verse 2: Kendrick Lamar]

What you want you? A house or a car?
Forty acres and a mule, a piano, a guitar?
Anythin', see, my name is Uncle Sam, I'm your dog
Motherfucker, you can live at the mall
I know your kind (That's why I'm kind)
Don't have receipts (Oh, man, that's fine)
Pay me later, wear those gators
Cliché? Then say, "Fuck your haters"
I can see the baller in you, I can see the dollar in you
Little white lies, but it's no white-collar in you
But it's whatever though because I'm still followin' you
Because you make me live forever, baby
Count it all together, baby
Then hit the register and make me feel better, baby
Your horoscope is a Gemini, two sides
So you better cop everything two times
Two coupes, two chains, two C-notes
Too much ain't enough, both we know
Christmas, tell 'em what's on your wish list
Get it all, you deserve it, Kendrick
And when you hit the White House, do you
But remember, you ain't pass economics in school
And everything you buy, taxes will deny
I'll Wesley Snipe your ass before thirty-five (Yeah)
[Bridge: George Clinton & Kendrick Lamar]
Yeah, lookin' down, it's quite a drop (It's quite a drop, drop, drop)
Lookin' good when you're on top (We're on top together)
You got a medal for us
Leavin' metaphors metaphysically in a state of euphoria
Look both ways before you cross my mind

[Refrain: Thundercat & George Clinton]

We should never gave
We should never gave niggas money
Go back home, money, go back home
We should never gave
We should never gave niggas money
Go back home, money, go back home

[Outro: Anna Wise & Whitney Alford]

Tax man comin', tax man comin'
Tax man comin', tax man comin'
Tax man comin', tax man comin'
Tax man comin', tax man comin'

California knows how to party

California knows how to party
In the city of L.A.
In the city of good ol' Watts
In the city, city of Compton
We keep it rockin', we keep it rockin' (Ooh)

[Verse 1: Dr. Dre]

Now, let me welcome everybody to the Wild, Wild West
A state that's untouchable like Eliot Ness
The track hits your eardrum like a slug to your chest
Pack a vest for your Jimmy in the city of sex
We in that sunshine state where the bomb-ass hemp be
The state where you never find a dance floor empty
And pimps be on a mission for them greens
Lean mean money-makin'-machines servin' fiends
I've been in the game for ten years makin' rap tunes
Ever since honeys was wearin' Sassoon
Now it's '95 and they clock me and watch me
Diamonds shinin', lookin' like I robbed Liberace
It's all good, from Diego to the Bay
Your city is the bomb if your city makin' pay (Uh)
Throw up a finger if you feel the same way
Dre puttin' it down for Californ-i-a

[Chorus: Roger Troutman & Dr. Dre]

California (California) knows how to party (Knows how to party)
California (West Coast) knows how to party (Yes, they do, that's right)
In the city of L.A. (City of L.A.; Los Angeles)
(Yeah) In the city of good ol' Watts (Good ol' Watts)
In the city, city of Compton (City of Compton)

Shake it, Cali (Come on, come on, shake it, Cali)
Shake it (We don't care), shake it, baby (Baby, right; that's right, uh)
Shake it, shake it (Shake, shake, shake, shake)
Shake it, shake it, mama (Shake, shake it, shake, shake)
Shake it, Cali (Shake it now)

[Verse 2: 2Pac & Dr. Dre]

Out on bail, fresh out of jail, California dreamin'
Soon as I step on the scene, I'm hearin' hoochies screamin'
Fiendin' for money and alcohol, the life of a Westside player
Where cowards die and the strong ball

Only in Cali, where we riot, not rally, to live and die
In L.A., we wearin' Chucks, not Ballys (Yeah, that's right, uh)
Dressed in Locs and Khaki suits and ride is what we do
Flossin' but have caution, we collide with other crews
Famous because we throw grams
Worldwide, let 'em recognize from Long Beach to Rosecrans
Bumpin' and grindin' like a slow jam
It's Westside, so you know the Row won't bow down to no man
Say what you say, but give me that bomb beat from Dre
Let me serenade the streets of L.A.
From Oakland to Sac-town, the Bay Area and back down
Cali is where they put they mack down, give me love
[Chorus: Roger Troutman & Dr. Dre]
California (California) knows how to party (Ain't no stoppin')
California (Do-do-do-do-do) knows how to party (Come on, baby)
In the city (South Central) of L.A. (L.A.)
In the city of good ol' Watts (That's right)
In the city, city of Compton (Yup, yup)
We keep it rockin' (Keep it rockin'), we keep it rockin' (Yeah, yeah)
Now make it shake, uh

[Post-Chorus: Roger Troutman & Dr. Dre]
Shake, shake it, baby (Uh, shake)
Shake, shake it (Uh, yeah; shake it, Cali)
Shake it, shake it, mama (Yeah)
Shake it, Cali (Shake it, Cali)
Shake it, shake it, baby (Shake it, Cali)
Shake it, shake it (Uh, uh)
Shake it, shake it, mama (West Coast)
Shake it, Cali (Uh)

[Outro: 2Pac, Dr. Dre & Roger Troutman]
Yeah, uh
Uh, Long Beach in the house, uh, yeah
Oaktown
Oakland definitely in the house (Ha, ha-ha-ha-ha)
Frisco, Frisco (Yeah)
Hey, you know L.A. up in this
Pasadena, where you at?
Yeah, Inglewood
Inglewood always up to no good
Even Hollywood are tryna get a piece, baby

I won't deny it, I'm a straight ridah (Now, you know how we do it, like a G)
You don't wanna fuck with me (What really go on in the mind of a nigga)
Got the police bustin' at me (That get down for theirs)
But they can't do nothin' to a G (Constantly, let 'em screaming that, money over bitches)
I won't deny it, I'm a straight ridah (Not bitches over money)
You don't wanna fuck with me (Stay on your grind, nigga)
Got the police bustin' at me (My ambitions as a ridah)
I won't deny it, I'm a straight ridah
Police bustin' at me (My ambitions as a ridah)
I won't deny it, I'm a straight ridah
Got the police bustin' at me (I'm a straight ridah)

[Verse 1]

So many battlefield scars while driven in plush cars (Skrtrt)
This life as a rap star is nothin' without guard
Was born rough and rugged, addressin' the mass public (Hahaha)
My attitude was "fuck it," 'cause motherfuckers love it
To be a soldier, must maintain composure at ease (Sir, sir, sir, sir)
Though life is complicated, only what you make it to be
(And, uh) And my ambitions as a ridah
To catch her while she hot and horny, go up inside her (Uh, got ya)
Then I spit some game in her ear, "Go to the telly, ho"
Equipped with money in a Benz 'cause, bitch, I'm barely broke (Hahaha)
I'm smokin' bomb-ass weed, feelin' crucial
From player to player, the game's tight, the feeling's mutual
From hustlin' and prayers to breakin' motherfuckers to pay us
I got no time for these bitches (Hell no), 'cause these hoes tried to play us
I'm on a meal ticket mission, want a mil' so I'm wishin'
Competition got me ripped on that bullshit they stressin' (Booyah)
I'ma rhyme though, clown hoes like it's mandatory
No guts, no glory, my nigga, bitch got the game distorted
Now it's on and it's on because I said so (Haha)
Can't trust a bitch in the business so I got with Death Row
Now these money-hungry bitches gettin' suspicious
Started plottin' and plannin' on a scheme to come and trick us (Haha)
But thug niggas be on point and game tight (Yeah)
Me, Syke and Bogart are strapped up the same night (Wassup, nigga?)
Got problems, then handle it, motherfuckers see me
These niggas is jealous, 'cause deep in they hearts they wanna be me

(Uh yeah, haha) And now you got me right beside ya
Hopin' you listen, I catch you payin' attention
To my ambitions as a ridah

[Chorus]

I won't deny it, I'm a straight ridah
You don't wanna fuck with me (My ambitions as a ridah)
Got the police bustin' at me
But they can't do nothin' to a G (I won't deny it, I'm a straight ridah)

[Verse 2]

It was my only wish to rise above these jealous
Coward motherfuckers I despise, when it's time to ride
I was the first to hop inside (Let's go, nigga, let's go), give me the .9 (Haha, yeah)
I'm ready to die right here tonight and motherfuck they life (Yeah, nigga)
That's what they screamin' as they drill me, but I'm hard to kill
So I open fire until you kill me, witness my steel (That's all you niggas got?
Hahahahahahahaha)
Spittin' at adversaries, envious and after me
I'd rather die before they capture me, watch me bleed
Mama (Dear Mama), come rescue me, I'm suicidal, thinkin' thoughts
I'm innocent so there'll be bullets flyin' when I'm caught (Fuck, shoot)
Fuck doin' jail time, better day, sacrifice (Fuck this shit)
Won't get a chance to do me like they did my nigga Tyson (Fuck that)
Thuggin' for life, and if you right, then, nigga, die for it
Let them other bustas try, at least you tried for it (Hahaha)
When it's time to die, then be a man and pick the way you leave (Yeah, nigga)
Fuck peace and the police, my ambitions as a ridah

[Chorus]

I won't deny it, I'm a straight ridah
You don't wanna fuck with me (My ambitions as a ridah)
Got the police bustin' at me
But they can't do nothin' to a G

[Verse 3]

My murderous lyrics, equipped with spirits of the thugs before me
Stay off the block, evade the cops 'cause I know they comin' for me
I been hesitant to reappear, been away for years (I'm back, baby)
Now I'm back, my adversaries been reduced to tears
Question my methods to switch up speeds, sure as some bitches bleed
Niggas'll feel the fire of my mother's corrupted seed
(Buck-buck-buck-buck-buck) Blast me but they didn't finish, didn't diminish
My powers, so now I'm back to be a motherfuckin' menace (Them niggas cowards)
They cowards, that's why they tried to set me up
Had bitch-ass niggas (Bitch-ass niggas) on my team so indeed they wet me up (Punk
niggas)
But I'm back reincarnated ('Carnated), incarcerated
At the time I contemplate the way that God made it

Lace 'em with lyrics that's legendary, musical mercenary
For money, I'll have these motherfuckers buried
I been gettin' much mail in jail, niggas tellin' me to kill it (Hahaha)
Knowin', when I get out, they gon' feel it (Yeah, right)
Witness the realest, a who-ridah when I put the shit inside
The cries from all your people when they find her, must remind ya
(Thug life) My history'll prove I been it
Revenge on them niggas that played me and all the cowards that was down with it
Now it's your nigga right beside ya
Hopin' you listen, got you payin' attention to my ambitions as a ridah

[Chorus]

I won't deny it, I'm a straight ridah
You don't wanna fuck with me (My ambitions as a ridah)
Got the police bustin' at me
But they can't do nothin' to a G (G)
I won't deny it, I'm a straight ridah
You don't wanna fuck with me
Got the police bustin' at me
But they can't do nothin' to a G (And I'm just proving it)
I won't deny it, I'm a straight ridah
You don't wanna fuck with me
